

End Caps - Metric - for Quick Release stainless steel

Lanyards

LA1350

LANYARDS

Material

Stainless steel, AISI 303

Technical Notes

Where the material receiving hole is out of tolerance or not round, end caps allow

quick release pins still to be used to take advantage of quick component/material change. End caps with tapped end allow fixing of cap to application with lanyard, see part nos. L to LA1224, end caps are

otherwise installed loose.

Important Notes

**When used, end cap reduces the usable grip length of quick release pin, refer to 'Grip length reduction' value in data table.

Order No.	End type	d ₁ pin dia. nom.	Grip length reduction	d ₂	d ₃	l ₁	l ₂ max.
