

N0542

NYLON

Material

Plastic PA66, black or white.

Technical Notes

Top hat stud covers slip over the top of exposed thread to protect the end of

threads to ensure no sharp edges are exposed.

Tips

The inside of the stud cover is ribbed ensuring the part grips on the thread patch.

Important Notes

Can also be supplied as „top hat“ stud covers N0541.

Order No.	For thread d ₁	Colour	h ₁	d ₂
